Thank you for scheduling an appointment with Douthat Insurance! We look forward to meeting with you and assisting you with your Medicare needs.

To help us make the most of your appointment, please make sure you have the following information available:

MEDICARE: INFORMATION NEEDED

The enclosed **Scope of Appointment** form is required by Medicare. Please **initial each product type and sign the form**. This allows us to discuss policy options with you and does **not** require enrollment.

Please bring the following to your appointment:

- Your Medicare card, if you have already received it
- A list of all your current medications, including the name, dosage, and frequency
- A list of your preferred doctors and specialists
- Payment Information (only required for auto payment)
- Any questions or concerns you may have regarding your Medicare coverage

Having this information available will help us review your options and make sure we can provide you with the best assistance possible.

Our goal is to help you find the best coverage for your needs and answer any questions before, during, and after enrollment. We are **Always by Your Side**.

Thank you,
